

De-Regulation of Media Ownership, which would concentrate it into the hands of a merely few big...

Will threaten the most fundamental structure of our so-called democracy.

We might as well plan to live in the former soviet union. As if the common citizen isn't already programmed, homogenized, & NOT provided with alternative views & objectively independant news!!

(So who is the lobby buying for this next new takeover? Why is that ALWAYS what it is about??)

PLEASE RE-CONSIDER: DON'T REPEAL THE RULES AGAINST MASS MEDIA MONOPOLIES!!!!
against
